

New Texas Legislative Changes Affecting Construction Contracts / Certificates of Insurance for 2012 Seminar

Talon Insurance Agency will sponsor a FREE seminar on recent Texas legislative changes affecting business-owners and contractors for 2012. Jim Gavin, Director of Education for IIAT, will review the new limitations on transferring liability in construction agreements, the changes to Owner Controlled Insurance Programs (OCIPs), and changes affecting those that request certificates of insurance and those that issue them. The presentation along with Q/A time will be offered in a morning session and in an afternoon session for added convenience. You can't afford to miss this FREE seminar to start 2012 off right and bring you up to speed on these recent legislative changes; so R.S.V.P today to ensure your spot.
